

There were two windows.

Q We will get a drawing of that; it is kind of difficult to explain.

A You know about the room, don't you.

MR. STUDER: Yes; in the back of the house.

Q Now, you stayed in there all evening?

A I remember coming down at one time and just as Mr. Hall was going out for I remember him saying "I don't really have to go out to-night, but I think I will just go down and see about a payment on this bill."

Q Was he talking to you or to Mrs. Hall?

A I don't think -- just generally, you know; I don't think he addressed me especially.

Q Was that downstairs or upstairs?

A Downstairs.

Q Was it on the porch or in the house?

A In the house.

Q Did you hear the telephone conversation, -- well, that he had with -- or I mean the phone conversation that Mr. Hall had upstairs?

A No, sir.

Q Was your door closed to your room?

A Yes, sir.
